6 night *4 Star* Greater Kruger Big 5 Safari

3 nights Timbavati Big 5 Game Reserve

3 nights Sabi Sands Big 5 Game Reserve

This itinerary offers the best of both worlds... a chance to experience two of the most renowned Big 5 Game Reserves of the Greater Kruger area.

Timbavati is renowned for its vast landscapes, diverse wildlife, and the rare white lions that were first discovered in the area; Sabi Sands offers exceptional wildlife viewing and is particularly well-known for its leopard sightings.

Both private reserves are adjacent to the Kruger National Park and share unfenced borders, allowing animals to roam freely between the national park and private reserves.
